We are thrilled to announce that ITS has successfully integrated Turnitin Draft Coach with Microsoft Word online, bringing an exceptional writing tool right to your fingertips. Starting from August 1, 2023, all Sunway staff and students with valid Sunway accounts can now access this powerful feature.

Turnitin Draft Coach gives you access to **Turnitin Similarity Reports, Citations Reports, and Grammar Guide** right where you do your work — directly in **Microsoft Word online**. This means that you can draft your work in Microsoft Word Online and then use the information in Turnitin Draft Coach to help you improve your writing prior to submitting a final copy to your teacher.

The Turnitin Draft Coach add-on is meant to help you navigate the issues of similarity, plagiarism, and grammar as you write and revise your assignments. Turnitin Draft Coach add-on will be available to use with any of your Microsoft Word online from the Turnitin menu in your toolbar. **You must be using Microsoft Word Online with your Sunway account in order to access Draft Coach. The add-on will not work with personal Microsoft accounts.**

Getting Started

Please note: This is only available in Microsoft Word online, not in the desktop application.
