

A) Type of system error message (Updated on 12th Aug 2025)

Description	Remarks
Error 1: Retransferring of the mark in eLearn without deleting the previous mark in EMX Action needed: Retransfer mark after EMX mark deleted by Exam Unit.	Still valid. Use Template 1.
Error 2: SYS columns are wrongly configured because marks show the letter instead of the percentage. Action needed: Reconfigure the SYS/L2SYS columns' primary display to show as "Percentage" and retransfer the marks.	Still valid. Use Template 5.
Error 3: SYS columns are wrongly configured due to marks higher than 100%. Action needed: Reconfigure the SYS/L2SYS columns' primary display to show as "Percentage" and retransfer the marks.	Still valid. Use Template 5.
Error 4: SYS columns cannot be found; they are unidentical to EMX or not configured. Action needed: Reconfigure the SYS/L2SYS columns, set the primary display as "Percentage," and retransfer the marks after the iDesk case closes.	Still valid. Use Template 2.
Error 5: Exam programme intake in EMX was not setup. Action needed: Exam Unit to complete setup in EMX. Instructor to ensure SYS/L2SYS columns are configured and retransfer marks.	Still valid. Use Template 4.
Error 6: Additional student(s) found from eLearn Grade Center for <eLearn CourseID> Action needed: Note that the results for the listed student(s) have not been imported into EMX as there is no matching enrolment in EMX for this study period. If the results need to be updated in EMX, please liaise with the Programme/School Admin for further actions.	Still valid. Use Template 3
Error 7: SYS/L2SYS columns are not configured or marks not posted. Action needed: Please configure the SYS/L2SYS columns so that they do not display any null values and set the display format to " Percentage ". For Ultra courses , it is compulsory to ensure that all assessment marks contributing to the total coursework and total final exam are fully POSTED before initiating the grade transfer.	Use Template 6

B) Email notification template.

Template 1

Sender: no-reply_ITS@sunway.edu.my

To: <main subject lecturer>

CC: <Yoong Theng and Aly>

Email subject title: Attention! eLearn grade transfer failed for <eLearn course ID>

Dear Lecturer(s),

It is noted that the marks imported from eLearn into EMX for the following course failed.

Parent Course ID: <course ID>

Parent Course name: <Course name>

Child Course ID: <Course ID>

Child course name: <Course name>

Error #1: < Error>

Action needed: <Action>

Error #2: < Error>

Action needed: <Action>

To rectify this issue, please follow these steps:

Step 1: Request mark deletion in EMX

Submit an iDesk case to Exam Unit via Vine → E-Applications → iDesk → click on “Exam Unit – EMX Marks Deletion” and provide the required information as per the below example.

Example:

- Email addresses of subject lecturer and HOD: johndoe@sunway.edu.my and jade@sunway.edu.my
- SAB (Uni) /PAC (College) meeting date: 19th Jan 2024
- EMX study period: 11th Sept 2023 to 12th Jan 2024
- Affected subject code and subject name *: DEN1013 Business English
- Reason for deletion: Change of mark

* If there is a parent and child course association, please specify the subject code and name for both parent and child courses.

Step 2: Error rectification on eLearn

Once the iDesk case is closed, please proceed with the action needed to rectify the error.

Step 3: Retransfer of mark

For Original Course View (OCV):

Go to Full Grade Center → Manage → Click on “Grade Approval and Transfer” → Tick on the course ID checkbox → Click “Approve Grades” → Click “OK”.

For Ultra Course View (UCV):

Go to the Content menu tab, click on “Books & Tools” under the Details & Actions panel → search and click “Grade Approval and Transfer” tool → Tick on the course ID checkbox → Click “Approve Grades” → Click “OK”.

Warm advice. Failure to provide the required information in Step 1 might delay the marks deletion process.

For further enquiry, please email to Aly (alykusnoa@sunway.edu.my) or Yoong Theng (yttan@sunway.edu.my).

Please do not reply to this email, as this account is not monitored.

Thank you.

Template 2:

Sender: no-reply_ITS@sunway.edu.my

To: <main subject lecturer>

CC: <Yoong Theng and Aly>

Email subject title: Attention! eLearn grade transfer failed for <eLearn course ID>

Dear Lecturer(s),

It is noted that the marks imported from eLearn into EMX for the following course failed.

Parent Course ID: <course ID>

Parent Course name: <Course name>

Child Course ID: <Course ID>

Child course name: <Course name>

Error #1: < Error>

Action needed: <Action>

Error #2: < Error>

Action needed: <Action>

To rectify this issue, please follow these steps:

Step 1: Submit ITS Helpdesk case

Raise an iDesk case by selecting the main category - "EMX" and sub-category – "Grade Journey SYS re-provision" to request reprovision of the SYS column. Do take note to include the required information as per the template below.

Example

Affected eLearn Course ID*: 2308.SU.DADM.RSM5054

Affected eLearn Course name *: 2308-RSM5054 RESEARCH METHODOLOGIES

Reason: Deleted the SYS column.

* If there is a parent and child course association, please specify the eLearn course ID and course name for both the parent and child course.

Step 2: Error rectification

Once iDesk case is closed, please proceed with the action needed to rectify the error.

Step 3: Retransfer of mark

For Original Course View (OCV):

Go to Full Grade Center → Manage → Click on "Grade Approval and Transfer" → Tick on the course ID checkbox → Click "Approve Grades" → Click "OK".

For Ultra Course View (UCV):

Go to the Content menu tab, click on "Books & Tools" under the Details & Actions panel → search and click "Grade Approval and Transfer" tool → Tick on the course ID checkbox → Click "Approve Grades" → Click "OK"

Warm advice. Failure to provide the required information in Step 1 might delay the SYS columns re-provision process.

For further enquiry, please email to EMX Support at ems_support@sunway.edu.my.

Please do not reply to this email, as this account is not monitored.

Thank you.

Template 3:

Sender: no-reply_ITS@sunway.edu.my

To: <main subject lecturer>

CC: <Yoong Theng and Aly>

Email subject title: Attention! Additional student(s) found from eLearn Grade Center for <eLearn CourseID>

Dear Lecturer(s),

It is noted that there are additional student(s) in the eLearn Grade Center. Details are as listed below:

Course ID: **<course ID>**

Course Name: **<Course name>**

Affected Student ID:

12345678

98765421

12345679
